Chapter 34. The Evidence That Urine Is Impure And The Obligation To Take Precautions Concerning It

[677] 111 - (292) It was narrated that Ibn ‘Abbâs said: “The Messenger of Allâh ﷺ passed by two graves, and he said: ‘They are being punished, but they are not being punished for anything grave (i.e., it was not difficult to avoid). One of them used to walk around spreading malicious gossip, and the other did not protect himself from his urine.’ He (ﷺ) called for a palm branch, split it in two, then planted one piece on one grave and the other on the other grave. Then he said: ‘Perhaps it (the punishment) will be reduced for them so long as this does not dry out.’”

[678] (...) It was also narrated from Sulaimân Al-A‘mash with this chain (a similar *Hadîth* as no. 677), except that he said: “The other one did not take precautions against urine.”
